Experience

Digital Marketing Manager (Head of Marketing Operations WSI HUB) **October 2021- Present**
(WSI World)

Lead digital marketing operations for a global agency hub supporting franchise networks and direct clients across North America.

- Defined and **led 2026 business unit strategy**, including growth planning, hiring models, and service structure design to support scalable delivery and continued revenue expansion.

• Lead a distributed team of marketing specialists, developers, and coordinators across North America, Asia, and offshore teams, managing **150+ concurrent projects** across SEO, Google Ads, Meta Ads, social media, and web development.

• Played a key role in scaling the business from **5 clients to 300+ active clients**, supporting **1000+ businesses across industries** including healthcare, legal, finance, ecommerce, real estate, and home services.

• Delivered **35%** year-over-year revenue growth **(2023–2026)**, including strong quarterly growth trends in 2025- 2026, by scaling service delivery, expanding service offerings, and improving operational efficiency.

• Oversee delivery strategy and performance across a large portfolio of client engagements, including reporting frameworks, client growth planning, and escalation management for strategic accounts.

• Designed and launched scalable service offerings including Local SEO frameworks, AI-driven SEO strategies, and marketing automation workflows, contributing new revenue streams to the business.

• Developed service pricing models and bundled marketing packages, balancing competitive positioning with delivery cost and profit margin targets.

• Built internal SOPs, delivery frameworks, and QA systems to standardize service delivery across the global team and improve operational efficiency.

• Train and mentor **franchisees** and business owners on SEO strategy, marketing analytics, and client presentation frameworks.

• Represented WSI Hub at global conventions in Punta Cana (2023), Cancun (2024) and Los Cabos (2026).

Digital Delivery Coordinator **June 2020- September 2021**
(WSI World)

- Designed and implemented a cost-effective Local SEO product, generating $60,000+ in revenue within its first year.
- Managed 50+ projects concurrently across Google Ads, Facebook Ads, SEO, and web development, ensuring on-time delivery and client satisfaction.
- Interviewed and onboarded new suppliers to improve project timelines, increasing efficiency across all deliverables.

Business Instructor **November 2022- June 2025**
(CDI College)

- Delivered business and marketing courses including marketing strategy, ecommerce, project management, and entrepreneurship using real-world industry case studies.
- Subjects covered: Economics, Financial management, Entrepreneurship, Professional skills (PKSO), Business Communication, Accounting & Bookkeeping, Marketing, Ecommerce, Project management, Supply chain management, Student Success Strategies (SSSO), Career & employment Strategies (CESO).

Faculty of Business Management & Mass Media **June 2016- May 2019**
(Burhani College of Commerce & Arts, Mumbai)

- Conducted lectures and presentations for a diverse class of 100-150 undergraduate and postgraduate students.
- Scheduled and organized examinations for the purpose of revision, ensuring a comprehensive learning experience.
